b.

- c. The Chinese Communist Army will not be placed into the DRV forces, nor will open assistance be given. New weapons and a large air force will be used to win the campaign. The Chinese, however, are considering the possibility that the United States will send troops to Indochina, hence there has been a delay in the plan.

- d. MAO Tse-tung has announced in Peiping that the United States will surely send five divisions as reinforcements to Japan, and that if the plan of the United States is to reinforce Korea, the Chinese will immediately begin to aid the DRV. The Chinese are now waiting to see where these five United States divisions are going before making a decision about aid to Burma and the DRV.
